## Beth Israel Medical Center Maternity Preadmission Registration Form

### PLEASE NOTE:

You need to contact your insurance company within 30 days after the birth of your child to enroll/add the baby to your insurance plan. This includes additional coverage, such as your spouse's plan.

There is a Coordination of Benefit rule that needs to be followed for appropriate billing and also to prevent billing notices that may be forwarded to you after the birth of your child.

### Coordination of Benefit:

The plan of the parent whose Birthday falls *earliest* in the year (regardless of age) is the primary carrier.

For Example: Mom's Birthday is **May 19, 1970**

Dad's Birthday is **May 1, 1970**

Though the parents are the same age; **Dad's insurance is primary** because his Birthday is *earlier* in the year.

Thank you
